Our region has benefited enormously from the generosity of two extraordinarily philanthropic people.

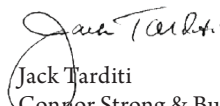

**Mark and Ann Baiada** have built a legacy that is nothing short of extraordinary. Their passion to help others goes beyond BAYADA Home Health Care's mission of giving people greater access to high-quality care that helps them live safely at home. Their passion expands to their desire to give of themselves in ways that build a strong, healthy community. The impact of their generous gifts of time and money can be felt throughout South Jersey and the region. And they nurture these values in the next generation of Baiadas — leading by example and inspiring their children and grandchildren to create their own legacies of giving.

The Community Foundation of South Jersey (CFSJ) will proudly honor these two outstanding individuals with 2016 Legacy of Giving Awards. **On Thursday, October 27 at Moorestown Community House at 6:30 PM**, we will pay tribute to their social impact and commitment to helping others prosper and achieve their dreams.

The Legacy of Giving event raises money for the Community Foundation of South Jersey, the place people turn when they want to maximize the impact of their generosity. Supporting this event means supporting the important work CFSJ does to ensure that the caring efforts of individuals, families, businesses and communities generate positive change for decades to come. Our Platinum, Gold & Silver sponsorships include event tickets and varying levels of event-related exposure.

By sponsoring the 2016 Legacy of Giving event, you'll be a valuable partner in celebrating two people who embody altruism, generosity, caring and strength. You will also join Mark and Ann Baiada in their efforts to inspire others to become effective agents of change.

Sincerely,

COMMUNITY FOUNDATION OF SOUTH JERSEY works with individuals, families, organizations and communities to maximize the impact of their generosity. As philanthropic advisors, we help our Donor-Advised Fund holders creatively and effectively address needs and embrace opportunities in areas they care about. CFSJ also leverages the resources of those who live in, give in and love South Jersey to create thriving, equitable and livable communities for all. We serve Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Ocean and Salem Counties.
